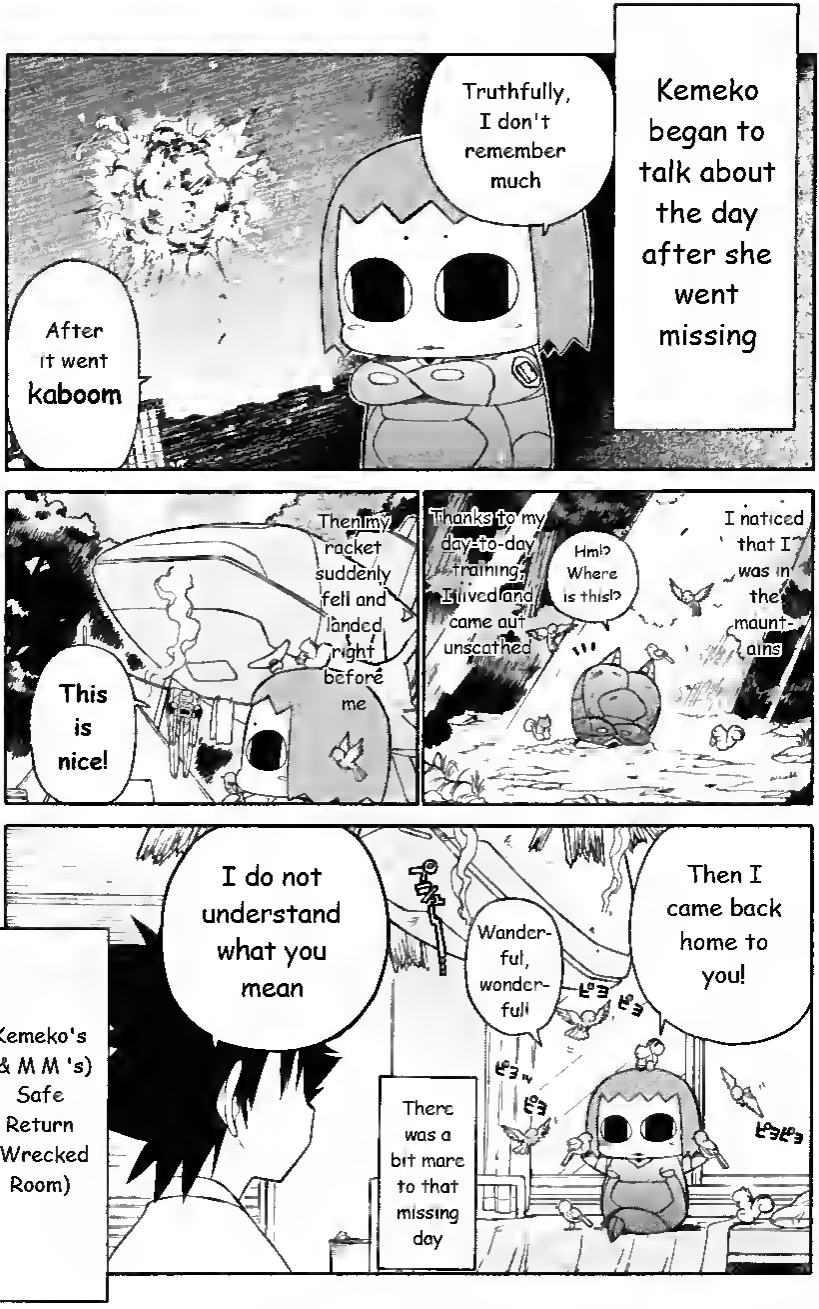
Hammyamadoki-kun



Kemeko began to talk about the day after she went missing
Truthfully, I don't remember much
After it went kaboom
Then my racket suddenly fell and landed right before me
This is nice!
I noticed that I was in the mountains
Hm!? Where is this!?
Thanks to my day-to-day training, I lived and came out unscathed
Then I came back home to you!
Wonderful, wonderful
I do not understand what you mean
There was a bit more to that missing day
Kemeko's (& M M 's) Safe Return (Wrecked Room)

Now, please look at me! Darling!
Now...
Uhm... Eh...
What do you think of my new clothes...
Or is it... a new suit...?
Please, just don't look at me!
Which should I do?
By the way Darling
More importantly how did this rocket get to the mountains
Were you worried about me while I was away?
S-Stupid! Who would worry about you!
You're such a horrible liar ♡
Sh-Shut up!

Anyway, I hope Kamishiro-san gets home safely
Why does she interrupt me every time I try to say something...
Ah...
Yeah
That was pretty fast
I'll be going to bed, Darling! We have to rest up for school tomorrow!
Well good night

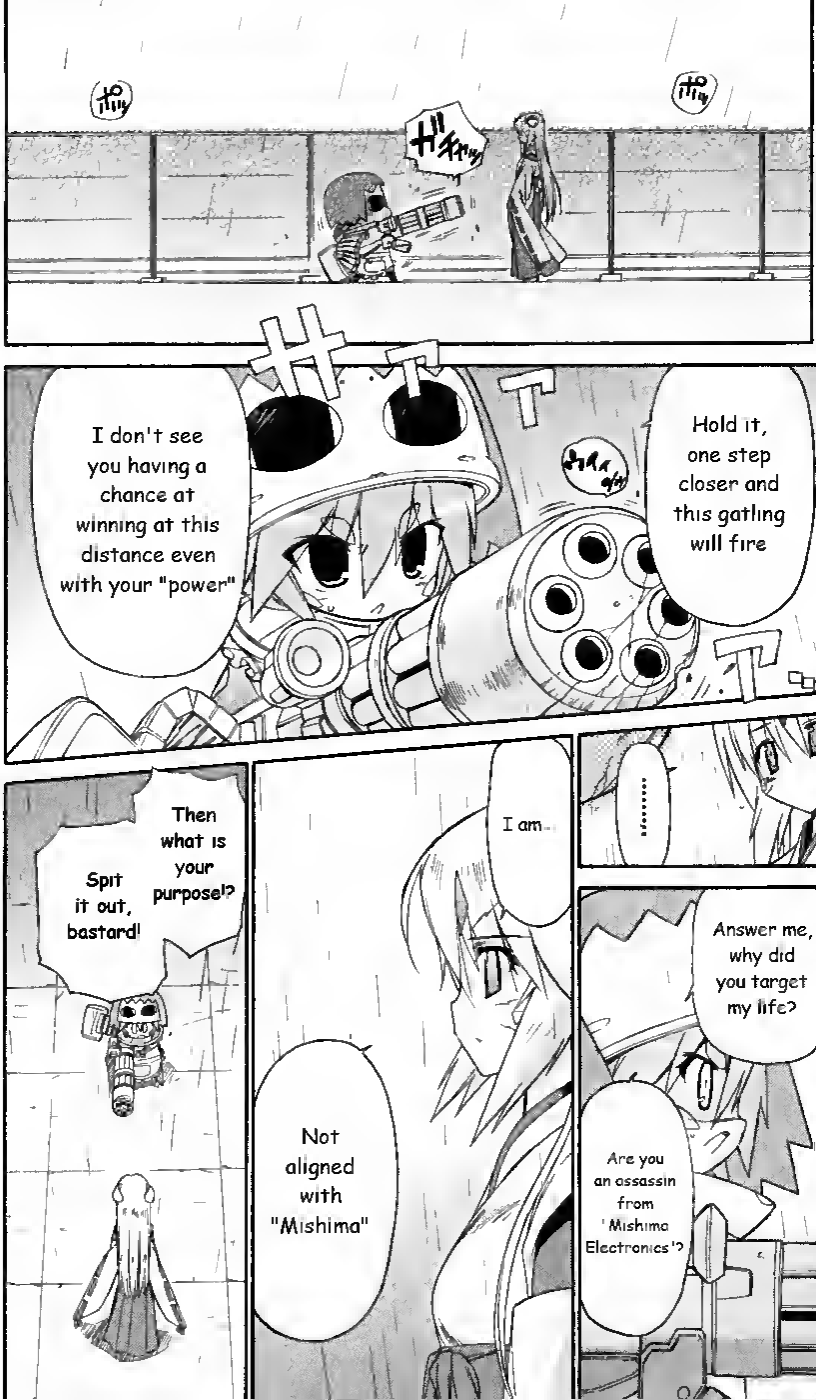
No, that's incorrect
Mishima Mei-san
Then your true identity is...

Kami-shiro Yukina
The Nano Ball "Prototype"
You were far from the original, and I heard you were disposed of later on...
Apparently, you were able to survive that



I don't see you having a chance at winning at this distance even with your "power"
Hold it, one step closer and this gatling will fire
Spit it out, bastard!
Then what is your purpose!?
I am...
Not aligned with "Mishima"
.....
Answer me, why did you target my life?
Are you an assassin from 'Mishima Electronics'?

I was...
Sent as a "messenger" to fulfill the hopes of Kobayashi-kun
I was...
told to reunite "those people" with Koba-yashi-kun
!!
!!.....
T-Then you couldn't be...!
I...

Was to serve Kobayashi-kun
Is thot your meaning, for Sanpeito
You were mode for No, maybe you were originally mode for the "power"?
Or was it...
I feel a little bad about it
Still, it doesn't matter
.....
My purpose is like another end with this
I spent most of my life with this "power"
Since I have failed, you will erase me from this world
For my own purpose
Was to hurt people
Now

I am the worst
I am...
That's right, what do I do to an enemy...

Now, quickly hurry back to class! Don't beg for forgiveness if you're late!
Why did you...
Do not misunderstand, you looked so miserable and puzzled
Besides, Sanpeita would be grieving if you were gone
And if I defeated you so shamelessly I wouldn't enjoy it as much
Plus, I hate people
Who are wet all over

Being like this and that I...
I...
Is it all right. If I regret...
